NURSERY NEWSLETTER

Spring Term 1 2018

Welcome back after Christmas we hope you all enjoyed time with your families and a Happy New Year to everyone. Thank you so much for all the lovely gifts and cards you gave us for Christmas, they were very much appreciated.

Our topic this half-term is 'Ice and Sparkle.' The children have already been busy in our 'Frozen' castle role play and we have been enjoying the books 'Jack Frost and 'One Snowy Night.' In the coming weeks we will be learning about ice, freezing and melting, polar bears and penguins. We will be sharing Some Winter poems and the books 'The Gruffalo's Child' and 'The Snowman.' We are also learning about 2D and 3D shapes and making pictures and structures with shapes.

Our class bear 'Rainbow' will be coming to stay with each child on a Wednesday/Friday. He has his own clothes and a diary. Please could you help your child to record Rainbow's adventures on 1 or 2 pages of the diary then return him on Monday/Wednesday to share with the class?

Thank you to our parent representatives for organising a cake sale and to everyone who supported us by bringing and buying cakes. We were able to purchase some fantastic new small world equipment.

Just a reminder with all the winter bugs around that if your child is ill with either vomiting or diarrhoea they need to be absent for 48 hours following the last episode.

How you can help

Please support your child with their independence by encouraging them to put on their own coat, hat and gloves and please ensure all items are named. When the children come into school they need to put their bags in the red boxes under the pegs this makes it easier for them to hang up their coats.

Many thanks
