

Cranmere Primary School Headteacher's Newsletter
30th June 2017

Dear Parents and Carers,

There has been a buzz of excitement in school all week for a variety of reasons; children rehearsing for end of term productions, Sunglasses Day and getting ready for our school summer fair to name but a few. We are hoping to have weather that is just a little fairer than last year especially in light of how hard The Friends have been working to organise a great day for all families. I do hope you can join us at the fair and I look forward to seeing you there.

Wishing you all a good weekend.

Kind regards, Kathie Daniels

International Sunglasses Day

We were very fortunate to have a visit from Callum who works for Sight for Surrey. He came to school to talk to us about how Sight for Surrey help all people who have a hearing or visual impairment. Callum is blind and he talked to our children about the kind of help he has had to help him go to university and travel around the world. We raised **£263.43** on Tuesday and Sight for Surrey have asked us to pass on our thanks to everyone who sent in a donation as every penny helps!

We have another exciting writing opportunity to keep our children's imaginations running over the summer, with the possibility of getting their writing published. The competition is open to our Key Stage 2 children and is entitled 'Crazy Creatures'. Children are asked to design their own crazy creature and write their own mini saga (a short story of 100 words) inspired by their own crazy creature. There are great prizes for the winning children and the school, including a free bookmark and sticker for every entrant and a fantastic goody bag for the top 10 entries. The deadline for entry is 21st July and more information can be found at:

<https://www.youngwriters.co.uk/competitions/crazy-creatures/> Entry forms can be collected from the office.

One of our Year 6 pupils, George C, is going to be riding 20 miles for the Royal Marsden on the 8th of July. George set this challenge for himself as a year ago one of his family's best friends, Ethan was diagnosed with leukaemia at two years old. George was very sad and heartbroken to see his little friend go through all the treatment. George wanted to help so he said that he would raise money for the Royal Marsden. He has been training hard for his challenge, a 20.5 mile cycle ride from Walton to Richmond park, round the whole park and home. For further details and of how to support please go to the link provided. Good luck George! http://www.justgiving.com/t-caswell?utm_id=27
