Dear Parents and Carers,

Thank you for supplying and ordering school sunhats for your child/ren. I appreciate that the weather is a little bit dismal at the moment but we have had many sunny playtimes this term already and are expecting quite a few more. If you order a cap or hat through Network you can have it delivered to school for free. We will have caps and sunhats available to purchase from our school office from week commencing 13th May.

Please do ensure that your child's school uniform including their hat/cap is clearly labelled. I personally have been using the Stickins recommended by Friends and have to admit how easy they are to use and how well they stick!

Please also note we have a huge amount of lost property overflowing our lost property bin outside of the Nursery door. Please take time to look through this to see if you recognise any of the clothing as it is not labelled.

Wishing you all a super bank holiday weekend.  
 Kind regards, Kathie Daniels

On Thursday, Thomas, Charlie, Emily and Phoebe from Year 5 competed in the **Launch Car Challenge at Reeds School**. After winning the heats in their classes in the Autumn term they were invited to use their D&T skills to design, make and present a new vehicle that could travel in a straight line for long distances, whilst keeping two ping pong balls safe. During the afternoon, they were asked questions about their designs by judges and the Major of Elmbridge. Both teams worked so hard and had a great time.

**Congratulations to Phoebe and Thomas who came 3rd in the event overall**
