# Reading, spellings and Times tables

The children should be reading every night if possible. Please check their comprehension of the books they read. They can read books from the school library and from home. Please record this in their home-school books.

In KS2, the children read to the teacher once a week during a group guided reading session. This is recorded in their reading records for your information. The children will continue to move through the colour bands.

The children should be practising their times tables at home too. By the end of Year 3 they should be confident with the 2x, 3x, 4x, 5x, 8x and 10x tables.

# Reading, spellings and Times tables

Spellings should be practised every week for the test.

They will be tested every Monday and then given their next set of spellings the same day.

The Year 3 and Year 4 spelling list is included in your pack.

## DOs

Talk to your children regularly about what they do online and on their phone. Who are they talking to and what about?

Keep your computer/ tablet in an area of the house that is easy to supervise i.e. where you will walk past every now and again.

Reinforce the message of not talking to strangers, giving out any personal details and sending inappropriate words or images.

Subscribe to your internet service provider's filter system.

Build this relationship/practice now while it is relatively easy in preparation for when your child is a teenager!

## DON'Ts

Take an 'it will never happen to us' attitude.

Allow your child to join social media sites where they are under the age limit (age limits exist for a reason!)

# Contact

Please be aware that we can receive many emails a day so please leave emails as a last point of contact.

If you do need to email, we will try our hardest to respond within 48 hours of receiving them. We do not access our emails during lesson times and not necessarily every morning. Any urgent messages regarding your child should go through the office

We are available to discuss any concerns you have after school however due to meetings and clubs this may not be possible every day.
