

Admission arrangements for Cranmere Primary School 2016-17

Cranmere Primary School is a Surrey County Council community school and therefore follows the admission arrangements of Surrey County Council.

Admission arrangements for Surrey County Council's community and voluntary controlled schools 2016/17

1. The Published Admission Number for initial entry to Cranmere Primary School in September 2016 is 90.
2. Applications for admission at the normal intake will be managed in accordance with Surrey's coordinated schemes on primary and secondary admission. Please see Surrey's website <http://new.surreycc.gov.uk/schools-and-learning/schools/school-admissions/school-admissions-consultations> for further details regarding applications, processing, offers, late applications, post-offer and waiting lists.
3. Applications for Reception must be made by 15 January 2016. Places at Surrey schools will be offered on the basis of the preferences that are shown on the application form. Applicants will be asked to rank up to four primary preferences and these will be considered under an equal preference system.
4. Children with a statement of special educational needs or an education, health and care plan (EHCP) that names a school will be allocated a place before other children are considered. In this way, the number of places available will be reduced by the number of children with a statement that has named the school.
- 5 Applications for entry in 2016/17 will be ranked in the following order:
 - i) **First priority: Looked after and previously looked after children**
See note a) for further information relating to looked after and previously looked after children.
.See note a) for clarification of these terms.
 - ii) **Second priority: Exceptional social/medical need**
See note b) for further information relating to exceptional social/medical need
 - iii) **Third priority: Children who will have a sibling at the school**
See note c) for the definition of a sibling.
If within this category there are more children than places available, any remaining places will be offered to children who meet this criterion on the basis of proximity of the child's home address to the school (please see criterion v)
 - iv) **Fourth priority: Children for whom the school is the nearest to their home address**
See note d)
All community and voluntary controlled schools will be considered in the assessment of nearest school. If within this category there are more children than places available, any remaining places

will be offered to children who meet this criterion on the basis of proximity of the child's home address to the school (please see criterion v)

v) Fifth priority: Any other children

Remaining places will be offered on the basis of nearness to the school measured in a straight line from the address point of the pupil's house, as set by Ordnance Survey to the nearest official school gate for pupils to use. This is calculated using the admissions team's Geographical Information System. See note e) for further information on the definition of home address. Where two or more children share a priority for a place, e.g. where two children live equidistant from a school and only one place remains, Surrey County Council will use random allocation to determine which child should be given priority. See note f)

Notes

a) Looked after and previously looked after children

Within the admission arrangements for all community and voluntary controlled schools, looked after and previously looked after children will receive the top priority for a place. Looked after and previously looked after children will be considered to be:

- children who are registered as being in the care of a local authority or provided with accommodation by a local authority in accordance with Section 22 of the Children Act 1989(a), e.g. fostered or living in a children's home, at the time an application for a school is made; and
- children who have previously been in the care of a local authority or provided with accommodation by a local authority in accordance with Section 22 of the Children Act 1989(a) and who have left that care through adoption, a child arrangements order (in accordance with Section 8 of the Children Act 1989 and as amended by the Children and Families Act 2014) or special guardianship order (in accordance with Section 14A of the Children Act 1989).

Places will be allocated under this criterion when places are first offered at a school and the local authority may also ask schools to admit over their published admission number at other times under this criterion.

b) Exceptional social/medical need

Occasionally there will be a very small number of children for whom exceptional social or medical circumstances apply which will warrant a placement at a particular school. The exceptional social or medical circumstances might relate to either the child or the parent/carer. Supporting evidence from a professional is required such as a doctor and/or consultant for medical cases or a social worker, health visitor, housing officer, the police or probation officer for other social circumstances. This evidence must confirm the circumstances of the case and must set out why the child should attend a particular school and why no other school could meet the child's needs. Providing evidence does not guarantee that a child will be given priority at a particular school and in each case a decision will be made based on the merits of the case and whether the evidence demonstrates that a placement should be made at one particular school above any other. Common medical conditions and allergies can usually be supported in all mainstream schools, therefore priority under a school's exceptional medical criterion would not normally be given for these. Some mainstream schools have units attached which provide specialist provision for children with either a Statement of Special Educational Needs or an Education, Health and Care Plan which names the school. The facilities in these units are not normally available to children in the mainstream school and as such priority under a school's exceptional social or medical criterion would not normally be agreed for a mainstream place on the basis of a specialist unit being attached to the school.

In addition, routine child minding arrangements would not normally be considered to be an exceptional social reason for placement at a particular school.

We reserve the right to refer medical evidence to our designated medical officer, where necessary, to assist us in making a decision about medical priority for a school place.

Places may be allocated under this criterion when places are first offered at a school and the local authority may also ask schools to admit over their published admission number at other times under this criterion.

c) Siblings for community and voluntary controlled schools

A sibling will be considered to be a brother or sister (that is, another child of the same parents, whether living at the same address or not), a half-brother or half-sister or a step-brother or step-sister or an adoptive or foster sibling, living as part of the same family unit at the same address.

A child will be given sibling priority if they have a sibling on roll at the school concerned and that sibling is still expected to be on roll at that school at the time of the child's admission.

d) Nearest school

For the normal intake to a school, the nearest school will be defined as the school closest to the home address with a published admission number for pupils of the appropriate age-range, as measured by a straight line and which has admitted children without regard to faith or boarding in the initial allocation of places in 2012, 2013 and 2014. An exception to this would be where a faith school has changed its admission arrangements and that change has meant that they would be expected to offer places to children who do not demonstrate a commitment to faith in future. The nearest school may be inside or outside the county boundary. Under this criterion all Surrey community and voluntary controlled schools will be considered. From 1 September 2016, any applicant remaining on the waiting list will be considered to be an application for in year admission. After this date, when assessing nearest school, schools without a published admission number will also be taken in to account.

e) Home address

Within the admission arrangements for community and voluntary controlled schools the child's home address excludes any business, relative's or childminder's address and must be the child's normal place of residence. Where the child is subject to a child arrangements order and that order stipulates that the child will live with one parent/carer more than the other, the address to be used will be the one where the child is expected to live for the majority of the time. For other children, the address to be used will be the address where the child lives the majority of the time. In other cases, where the child spends an equal time between their parents/carers, it will be up to the parent/carers to agree which address to use. Where a child spends their time equally between their parents/carers and they cannot agree on who should make the application, we will accept an application from the parent/carer who is registered for child benefit. If neither parent is registered for child benefit we will accept the application from the parent/carer whose address is registered with the child's current school or nursery.

We will not generally accept a temporary address if the main carer of the child still possesses a property that has previously been used as a home address, nor will we accept a temporary address if we believe it has been used solely or mainly to obtain a school place when an alternative address is still available to that child. All distances will be measured by the computerised Geographical Information System maintained by Surrey's admissions team.

The address to be used for the initial allocation of places to Reception, Year 3 and Year 7 will be the child's address at the closing date for application. Changes of address may be considered in accordance with Surrey's coordinated scheme if there are exceptional reasons behind the change, such as if a family has just moved to the area. The address to be used for waiting lists, after the initial allocation, will be the child's current address. Any offer of a place on the basis of address is conditional upon the child living at the appropriate address on the relevant date. Applicants have a responsibility to notify Surrey County Council of any change of address.

f) Tie breaker and the admission of twins, triplets, other multiple births or siblings born in the same academic year

Where two or more children share a priority for a place, e.g. where two children live equidistant from a school and only one place remains, Surrey County Council will use random allocation to determine which child should be given priority.

In the case of multiple births, where children have equal priority for a place, Surrey County Council will use random allocation to determine which child should be given priority. If after the allocation one or more places can be offered but there are not sufficient places for all of them, wherever it is logistically possible, each child will be offered a place. Where it is not logistically possible to offer each child a place the child(ren) ranked the highest will retain their offer and the applicant will be advised of their right of appeal and informed about waiting lists.

6. Waiting lists

Where there are more children than places available, waiting lists will operate for each year group according to the oversubscription criteria for each school without regard to the date the application was received or when a child's name was added to the waiting list.

Waiting lists for the initial intake to each community and voluntary controlled school will be maintained until the last day of the Summer term 2017 when they will be cancelled. Applicants who wish a child to remain on the waiting list after this date must write to Surrey County Council by 28 July 2017, stating their wish and providing their child's name, date of birth and the name of their child's current school. After 28 July 2017, applicants whose children are not already on the waiting list but who wish them to be so must apply for in-year admission through Surrey County Council. Waiting lists for all year groups will be cancelled at the end of each academic year.

7. In-year admissions

The following applications will be treated as in-year admissions during 2016/17:

- applications for admission to Reception which are received after 1 September 2016;
- for any school which has a published admission number (PAN) for Year 3, applications for admission to Year 3 which are received after 1 September 2016;
- applications for admission to Year 7 which are received after 1 September 2016;
- all other applications for admission to Years 1 to 6 and 8 to 11.

Applications for Surrey's community and voluntary controlled schools must be made to the local authority on Surrey's common application form. Where there are more applications than places available, each application will be ranked in accordance with the published oversubscription criteria for each school.

8. Starting school

The community and voluntary controlled infant and primary schools in Surrey have a single intake into Reception. All children whose date of birth falls between 1 September 2011 and 31 August 2012 will be eligible to apply for a full time place in Reception at a Surrey school for September 2016. Applicants can defer their child's entry to Reception until later in the school year, but this will not be agreed beyond the beginning of the term after the child's fifth birthday, nor beyond the beginning of the final term of the academic year for which the offer was made. Applicants may also arrange for their child to start part time until their child reaches statutory school age.

9. The admission of children outside of their chronological year group

Applicants may choose to seek a place outside their child's chronological (correct) year group. Decisions will be made on the basis of the circumstances of each case and what is in the best interests of the child concerned.

- Applicants who are applying for their child to have a decelerated entry to school, i.e. to start later than other children in their chronological age group, must initially apply for a school place in accordance with the deadlines that apply for their child's chronological age. If, in liaison with the headteacher, the local authority agrees for the child to have a decelerated entry to a community or voluntary controlled school the place cannot be deferred and instead the applicant will be invited to apply again in the following year for the decelerated cohort

- Applicants who are applying for their child to have an accelerated entry to school, i.e. to start earlier than other children in their chronological age group, must initially apply for a school place at the same time that other families are applying for that cohort. If, in liaison with the headteacher, the local authority agrees for the child to have an accelerated entry to a community or voluntary controlled school, the application will be processed. If it is not agreed for the child to have an accelerated entry to a community or voluntary controlled school, the applicant will be invited to apply again in the following year for the correct cohort
- Applicants must state clearly why they feel admission to a different year group is in the child's best interest and provide what evidence they have to support this. More information on educating children out of their chronological year group and the process for making such requests is available at www.surreycc.gov.uk/admissions.

10, Nursery admissions

The local authority has delegated the admissions of nursery children to the governing body of community and voluntary controlled schools/nurseries. Applicants wishing to apply for a place must complete the application form and submit it directly to the school or nursery that they wish to apply for in accordance with the dates set by the school.

Each nursery class within community and voluntary controlled infant and primary schools operate one or two part-time sessions of up to 3 hours a day, depending on the school. This means that children might normally attend in the morning or afternoon, although if the school is offering the place more flexibly this could be over

a longer period. Children attending a nursery in a community or voluntary controlled infant or primary school would normally either attend for 5 morning or 5 afternoon sessions per week..

Places for three year olds

All children will be eligible to be considered for admission to a nursery class in a community or voluntary controlled school or nursery in the term after they turn three years old, although admission will be subject to an application being made and places being available.

When a nursery in a community or voluntary controlled infant or primary school is over-subscribed for a three year old place, applications for entry in 2016/2017 will be ranked according to the following criteria, which will be applied in the first instance to children wishing to take up the free early years provision:

- a) Looked after and previously looked after children
- b) Exceptional social/medical need
- c) Children who will have a sibling attending the nursery or the main school at the time of admission
- d) Children who will turn 4 years old between 1 September 2016 to 31 August 2017 (this is to give priority to older children who will be due to transfer to Reception in the next academic year and hence only have one year left to attend nursery)
- e) Children who will be 3 years old between 1 September 2016 to 31 August 2017 (these children will be able to stay on in nursery for another year in 2017/18 as they will not be due to start Reception until September 2018)

Where any category is oversubscribed, children will be ranked according to the straight line distance that they live from the school with priority being given to children who live closest to the school.

Procedures for admission

Each school will endeavour to inform applicants of the outcome of their application by letter, at least one term before admission. A school will only allocate nursery sessions once it has determined that a place can be offered in accordance with the admission criteria. If an applicant is offered a place they must confirm acceptance directly with the school by the date stipulated in their offer letter.

The final decision with regard to admission and the allocation of morning or afternoon sessions rests with the governing body of the school.

Where a school is oversubscribed it will maintain a waiting list in criteria order.

Admission to a school's nursery does not guarantee admission to the Reception class at that school. Applications for Reception must be made on a separate application and be submitted by the statutory deadline in order to be considered.

Some schools or nurseries may allow parents to pay for extra nursery provision, beyond their free entitlement. However such requests will only be considered once all applications for the free early year's entitlement have been processed.

11. Home to school transport

Surrey County Council has a Home to School Transport policy that sets out the circumstances that children might qualify for free home to school transport.

Generally, transport will only be considered if a child is under 8 years old and is travelling more than two miles or is over 8 years old and travelling more than three miles to the nearest school with a place. Transport will not generally be provided to a school that is further away if a child would have been offered a place at a nearer school had it been named as a preference on the application form, although exceptions may apply to secondary aged children whose families are on a low income if they are travelling to one of their three nearest schools and to children whose nearest school is out of County but over the statutory walking distance.

Eligibility to transport is not linked to the admission criteria of a school. Some schools give priority to children who are attending a feeder school, but attending a feeder school does not confer an automatic right to transport to a linked school. In considering admission criteria and school preferences it is important that applicants also consider the home to school transport policy so they might take account of the likelihood of receiving free transport to their preferred school before making their application. A full copy of Surrey's Home to School Transport policy is available on Surrey's website at www.surreycc.gov.uk or from the Surrey Schools and Childcare Service on 0300 200 1004.
