

Message for Ocean Class

Hi Oceans Class,

We hope you are enjoying this lovely weather.

We have looked at the online platforms and are very pleased with the work you have been doing.

On TT Rockstars, we have set up some more tasks- so keep a look out. Spelling Shed spellings will be changed fortnightly and there are the curriculum spelling words for Year 5 and 6 to keep practicing. You also have been given an Education City log in. We will be setting tasks from this next week. There is also RM Maths learning for you to log into.

Don't forget your CGP Revision booklets that you can work through.

We have also included some helpful websites.

[ISSE MATHS](#) Live maths lessons that Gareth Metcalfe is streaming each day at 10am for Year 5/6.

Every day, [David Walliams](#) will be releasing a new story at 11am each day.

It might be fun to sit down and listen to together or if you have the book you can follow along as well.

We look forward to seeing all your work when you come back to school.

We will be in touch after Easter

Mrs Langley and Mrs Thompson
