

Year 6 Learning Overview – Week Beginning 22nd March

Every day please practise:

- 1.) 20minutes - your times tables by either using TT Rockstars, writing them out and testing yourself or asking another person to test you.
- 2.) 20 minutes - your Maths skills by using RM EasiMaths. The password for this is in the front of your Home-School book.
- 3.) 30 minutes - reading to yourself and to another person. This can even be over the telephone. Remember to vary your voice to match the punctuation.
- 4.) 20 minutes - spelling using Spelling Shed or write the words out in words and then in sentences. The Year 5 – 6 Statutory Spelling list can be found on Spelling Shed. The spellings for each half term and weekly allocation can be found in your reading record book.

Weekly Homework:

- 5.) Maths and Grammar Homework: Weekly tasks will be set on a Monday for completion the following Monday on Mathswatch and SPAG.com.
- 6.) You also have access to Education City. The password is in your Reading Record book and a range of activities to support your learning topics can be found.

| | Overview of learning | Activity examples – please see attached activities which are to be completed during the time you are absent from school. Different levels of challenge have been provided and you should know which level of challenge to complete. |
|---------|--|--|
| Maths | <ul style="list-style-type: none"> • Monday- Shape and coordinates in all 4 quadrants • Tuesday – Translating shapes in all 4 quadrants • Wednesday – Reflecting shapes in the x and y axis • Thursday – Properties of circles and problem solving • Friday: Arithmetic Paper 11a | <ul style="list-style-type: none"> • Lesson slides and worksheets • Log onto Mathswatch videos for supporting resources on any topic you are not secure in. • Arithmetic paper and mark sheet |
