

In Nursery, we will be enjoying the book 'Whatever Next'
https://www.youtube.com/watch?v=m0XQ9YhWd_Y

You can listen to the story on you tube if you do not have this book. Below are some ideas to develop the different areas of learning, as we do in nursery. Try something new each day. Remember to enjoy learning through play. Ask your child questions to develop and extend their learning.

Can you retell the story? Make your own rocket, you just need a cardboard box. Some moon boots-wellies. A helmet-colander. What did he take in the rocket?

Who did Baby Bear see? What will be your adventure?

Have fun with phonics

Big Cat phonics -song of sounds <https://www.youtube.com/watch?v=7ZfjUQ6IEQs>

We sing the song of sounds every day in Nursery, practise the actions and saying the sounds

<https://new.phonicsplay.co.uk/> for some fun phonics games

Find fun ways for your child to learn to write their name. Can you write your name in moon dust? Can you write 's' for space? What things can you find around the house beginning with's'

Learn a counting song- Five Little Men in a Flying Saucer

Five Little Men

Five little men in a flying saucer,
 Flew round the world one day,
 They looked left and right,
 But they didn't like the sight,
 So, one man flew away

Four little men in a flying saucer,
 Flew round the world one day,
 They looked left and right,
 But they didn't like the sight,
 So, one man flew away

Three little men in a flying saucer,
 Flew round the world one day,
 They looked left and right,
 But they didn't like the sight,
 So, one man flew away

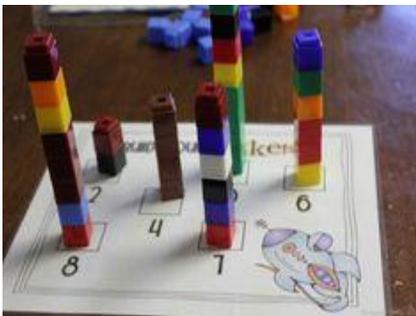

Moon and stars Art

Can you mix up flour and white paint? You need to draw a circle with chalk on black or dark paper. Paint the circle with the flour mix. Then use an old plastic bottle without a lid to print circles to create craters on the surface of the moon. If you have a star cutter, you could print some stars.

Maths -Number

Can you build a rocket with 6 bricks? 3 bricks? Match the quantity to the numeral

Can you make number cards 1-10?

Then order them on your rocket.

Can you count backwards from 10 to 1?

Which number comes after 3?

Which number comes before 6?

Get Moving! Cosmic Yoga

<https://www.youtube.com/watch?v=v9W8iV4AJYQ>

Can you join in with cosmic yoga?

Find out about the Solar System

What can you find out about the Solar System?

Do you know the names of any planets?

This is a song about the Solar System

https://www.youtube.com/watch?v=BZ-qLUIj_AO

What facts can you find out?
