

In Nursery, we will be continuing our learning on 'The Snail and the Whale.' We will be finding out about Giant African snails. Watch 'Come Outside-Snails'

<https://www.youtube.com/watch?v=ki97nLa2rjk>

Can you remember what the snails like to eat?

Which country do the snails come from?

When are snails more active?

Where do garden snails like to live?

### Have fun with phonics

Big Cat phonics -song of sounds <https://www.youtube.com/watch?v=7ZfjUQ6IEQs>

We sing the song of sounds every day in Nursery, practise the actions and saying the sounds

<https://new.phonicsplay.co.uk/> for some fun phonics games

Find fun ways for your child to learn to write their name. Can you write your name? Can you write some CVC words beginning with 's'

sun sit set Can you practice letter formation for 's'?

### Parts of a Snail

Can you learn the names of the different parts of a snail? Can you label a snail picture?

## Henri Matisse

Matisse was a French artist he made a famous picture called 'The Snail'

Can you make your own collage in the style of Matisse? You will need coloured squares and rectangles of paper or tissue. You could draw a spiral pencil shape as a guide first. Look at the colours he used.

## Playdough Snails

Have some fun making snails with playdough or clay. You could use shells or make your own spiral, you will need to roll up a long worm then join it to the body.

Don't forget the tentacles. You can make different size snails. Which is the biggest? Can you put them in size order?

## Maths-Number

Make a fishing game You will need a magnet to make the Fishing rod. Then put paper clips on the fish. Number the fish.

Which number have you caught?

Can you count how many you have altogether?

Can you order the fish by number?

## Learn a snail song (to the tune 'Hickory dickory dock')

*The snail is moving slowly,  
See him slide across the grass,  
He leaves a silver path behind,  
We all know that he has passed.*

*The snail is never worried,  
Though he wanders far and wide,  
He carries his house upon his back,  
When he's tired he crawls inside.*

The children make snail shapes with their hands, curling one into a fist with two fingers for the snail's horns and the other held flat out for the grass that the snail slides across.
