VE Day Celebrations

This week marks the 75th Anniversary of VE Day. Victory in Europe Day marks the day toward the end of World War Two when fighting against Germany came to end. To mark the 75th Anniversary this year people will now have their celebrations at home. Could you maybe make some bunting with your child and decorate it with red, white and blue patterns or make a flag. This can be done by cutting triangles of paper, then when they are decorated fold a tab over string or ribbon and stick down. Maybe you could make some cakes with your child and decorate them red, white and blue. Then have your own tea party, sharing the food. Enjoy!
