

This week we are thinking about seeds and growing. Watch this story told on you tube. <https://www.youtube.com/watch?v=xTjZmplfS-c>

Try something new each day. Remember to enjoy learning through play. Ask your child questions to develop and extend their learning

Have fun with phonics

Continue to have fun with phonics with a focus on SATPIN

Big Cat phonics -song of sounds <https://www.youtube.com/watch?v=7ZfjUQ6IEQs>

We sing the song of sounds every day in nursery, practise the actions and saying the sounds

Try some word building using blocks or bricks. Can you build your name?

Drawing and labelling a plant

Can you draw a plant and label the different parts? We have previously done this in nursery, so it would be good to revisit this learning.

Look at some plants when you go for a walk or if you have some in your garden.

Talk about what plants need to help them grow and how we need to care for them.

Reading

Share story books every day. Turn the pages and talk about what they can see in the pictures.

Listen to stories on cbeebies <https://www.bbc.co.uk/iplayer/guide/cbeebies>

Get moving!

Name writing- Practice writing their name-tracing/copying and independently

Encourage your child to Dress and undress independently

Can you try brain breaks-Singing in the rain

<https://www.youtube.com/watch?v=tbFGojJxqoo>

Growing a grass head

This shows you how to make one of these grass heads

<https://www.youtube.com/watch?v=HqhLGX0MmpQ>

You can also just use a cup or a pot. Fill with soil and sprinkle grass seeds on top. You can decorate the cup by drawing your face or putting a photo on the cup. Don't forget to water it!

When the grass grows to long you can give your grass head a haircut!

Cress heads

Can you try planting some cress, again you can make it fun by drawing a face. You can grow it on damp cotton wool, then when it is ready you can taste it. Maybe try it in a sandwich

Maths - shape sorting

Cut out or mark out shapes. Find some objects around your house or cut out pictures to sort. Talk to your child about the shapes they see around the house. What shape is a clock?

Go on a shape hunt. How many rectangles can you find?

Seed Song

In nursery we have learnt the seed song, enjoy singing!

https://www.youtube.com/watch?v=da_LbBewte8

Find a little seed, plant it in the ground,
wait for it to grow, don't disturb it

NURSERY HOME LEARNING
WEEK 5(10)- Seeds and Growing

SUMMER 2

*Don't expect to see, changes overnight
If you wait a while you're find new life*

*Sunshine will come, raindrops will fall
Your little seed will grow again
Soon there will be, a day in spring
when your seed blossoms and grows*
