

Dear Families,

I hope that this letter finds all of you well and healthy.

I am writing today to invite all of our children who will be moving up to a new year group within Cranmere in September 2020 to join in with a 'Meet your new teacher' session during the week commencing 13th July 2020.

We have split the classes into two groups to allow for social distancing protocols and have done so using surnames alphabetically. The times have to be adhered to so that we can continue our support for existing attendees. If your child is already in school then we will have them join a session (at a social distance) so that they can be a part of their own class group for this. Please see table below of dates and times for these sessions.

I look forward to seeing our children albeit in small groups, returning to school for these exciting sessions. The teachers will talk about themselves to the children and try to find out a little about their new class. I am sure these sessions will be enjoyed by all.

Kind regards,
Mrs Kathie Daniels
