

## All about Clubland at Cranmere Primary

*Registered with Ofsted EY500241*

We provide Breakfast and Afterschool Club to all children at Cranmere Primary School starting from Reception. We are based in the Maple room and Small Hall and have use of the ICT suite, Mugga and outside play areas.

### What we do at Clubland

We are all about freely chosen, self-directed play and your child will find a large selection of equipment and resources to play with. This includes construction, imaginative/fantasy/role play, board games and arts & crafts, as well as sports and good old fashioned playground games. Every day there is an adult led activity which ranges from Craft, Cookery, Sport or Quizzes for children to join in, if they so choose.
